1. The author(s) retain all proprietary rights, including patent rights, as well as the freedom to reuse any portion of their article in their own future works such as lectures, press notes, books, or reviews. If any third party wishes to republish the article in full or in part in another journal, periodical, or reprint collection, they must obtain prior written approval from the Editor-in-Chief.
2. I hereby affirm that the content presented in this paper is entirely my/our original work and does not include copyrighted material taken from external sources. In cases where such material has been used, it has been properly quoted, clearly marked, and fully acknowledged through accurate citations at the appropriate locations.
3. The final version of the paper submitted here is substantially different from any work that I/we have previously published.
4. I/we confirm that this paper, or any work closely resembling it, has not been submitted for publication to any other journal or platform.
5. The author may share their own version of the paper publicly, provided that proper acknowledgement is given to the original publication and a link to the published article on the CUIJR website is included.
